County Favors Vote on Wing To Courthouse

Supervisors Instruct Ferrell to Outline Legal Procedure

Declared by Supervisor John Poole, Redwood City, to offer a "rare opportunity" to acquire an $81,000 federal gift, and by Supervisor Albert Witt, Colma, to offer the chance of creating jobs, the proposed $180,000 courthouse wing project was given favorable consideration Monday of the board of supervisors.

The board asked District Attorney Gilbert Ferrell to work out the legal procedure for holding the election on August 13 when the special state ballot on constitutional amendments is held.

County Clerk Elmore B. Hinman informed the board that precincts within cities could be consolidated to decrease the number from 203 to 150, so that a saving of several thousand dollars could be effected.

Witt declared himself wholeheartedly in favor of holding the election to secure the public's expression on the courthouse wing project.

Success for the project is foreseen because the county would be asked to raise but $99,000 on a bond issue to go with the $81,000 federal gift to make the addition possible.

Need for the addition is recognized because of the crowded conditions in the courthouse and the rental at a cost of $4000 yearly of outside offices.

Supervisor Witt moved and Supervisor Poole seconded the motion referring the question of consolidating the election to District Attorney Ferrell.

SCOTT LOSES PAY PLEA IN RULING BY M'NUTT

Status of Engineer Not Up for Decision In Suit Over Pay; Comba, Wilson Plan New Salary Battle

In a decision hailed by Engineer-Appointee Urban S. Marshall as a "victory," Superior Judge McNutt Wednesday denied Carl R. Scott's plea for the $400-a-month salary as county engineer pending determination of legal title to the office, which both engineers claim but for which no one has been paid since April 29.

Judge McNutt's decision came in the form of a sustenance of demurrer to Scott's action, taken through Attorneys Fred Comba and Ernest Wilson.

As a result of the decision:

1. Attorneys Comba and Wilson "respectfully disagreed" with Judge McNutt's findings and said they would file an amended complaint stating a separate cause of action, in a new effort to secure the salary for Scott.

2. Attorney Joseph J. Bullock, counsel for Marshall, said he would wait a few days to see what action Comba and Wilson take, and then probably would file "quo warranto" proceedings in an effort to install Marshall in the disputed office.

3. Marshall said he considered the decision a victory since the court refused to recognize Scott's claim that he was the bonafide commissioned engineer. Marshall also voiced a new plea for peace in the controversy, and stated he believed "the reasonable thing for Scott to do" would be to resign and take a "secondary position"

4. Scott reiterated his intention District Attorney Gilbert Ferrell's to hold on to the office, declaring again he would not resign. He also revealed he was making a study of the Lobitas Creek bridge project, work on which the board of supervisors halted Monday, and that within a few days he would issue a reply to findings submitted to the supervisors by Marshall.

Judge McNutt's decision was the second victory for District Attorney Ferrell, who was injected into the suit as attorney for Controller Edward M. Stack, against whom, as paymaster, the action was taken.

MARSHALL LOST PAY

On June 7 Judge McNutt had sustained a demurrer entered by Ferrell in Marshall's mandamus action to collect pay for the engineer's work. The demurrer had been entered May 14 in the first hearing on the controversial matter. It had claimed that the writ of mandamus proceedings used by Marshall were improper since he failed to show that he actually performed the duties of engineer April 30, the day for which Marshall asked pay.

In the second demurrer, entered at the June 20 hearing, Ferrell maintained there was now no contest in court over the office, and that consequently the remedy sought by Attorneys Comba and Wilson was improper under Sections 936 and 937 of the political code, on which they based their case.

Judge McNutt concurred with Ferrell, holding:

"Title to the office of county engineer is not contested by any proceeding instituted for that purpose and now pending. Therefore petitioner (Scott) is not in a position to invoke the remedial provisions of Section 936 of the political code which he seeks to do. "The demurrer is sustained."

STILL WITHOUT PAY

In the meantime, Scott continues in office without pay. It is reported on good authority that subordinates of his office, who are keeping their jobs perhaps only because he remains in possession, are lending him money to support himself pending outcome of the suit.

Attorney Bullock declared the opinion of Judge McNutt was "very satisfactory," and in effect "upholding the charter relative to the naming of Marshall as engineer."

FORD TRAVELING EXHIBIT COMING HERE SATURDAY

Ford's 1935 traveling commercial transportation exhibit, now on a tour of the entire territory under the Richmond branch—northern California, western Nevada, southern Oregon—is to arrive here Saturday, July 6, and will remain from 8 to 12 a. m.

In this merchandising "road show" there are a dozen units, including light delivery equipment, heavy duty trucks and a large school bus.

The products of the Ford Motor Company, in the display, include a 157-inch closed cab stake body truck, carrying a complete cutaway Ford V-8 truck chassis; a 157-inch closed cab plotform truck, carrying a comprehensive Ford parts display; a 112-inch closed cab pickup; a 112-inch panel delivery; a 112-inch sedan delivery, and a 131½-inch panel delivery.

Manufacturers of transportation equipment of various types are represented in this huge industrial caravan, and are co-operating with the Ford Motor Company in staging demonstrations in some 52 cities and towns throughout the vast "Richmond branch area."

Expert operators are representing the different manufacturers, and factory-trained representatives of the Ford Motor Company are in charge of the Ford units.

County SERA Band Composes Number

With music written by Ati Castanade and words by Hugh Disher, a number, "Will You Still Love Me as I Love You," has been composed by the county SERA orchestra. The song was featured at a recent program at the relief home. At the program, Disher sang while the 16-piece orchestra played.

Exact Pledge On Stock Show Undetermined

15% or More of Labor Is Goal of Board For Project

Without specifying if the whole or any part of the requested $37,500 will be placed into the 1935-36 budget, the San Mateo County Board of Supervisors Monday committed itself to financial participation in the $2,000,000 San Francisco-San Mateo county livestock pavilion project.

The financial commitment is subject to working out means of giving San Mateo county men at least a 15% participation in the work.

Approval of the county's participation came only after lengthy debate, during which time most of the members of the board stood opposed to approving $37,500 at this time as the county's share.

Supervisor Albert Witt, Jr., Colma, brought the matter to a head when he said that failure of the county to participate would shut the door to San Mateo county labor participation and, he declared, "there would be the devil to pay if that happened."

WORK READY TO BEGIN

Attorney W. H. Morrissey, Redwood City, representing the board of directors of the livestock exposition here, urged the county's participation because of the danger that the entrance to the pavilion might be placed in San Francisco county and many visitors to San Mateo county would be cut off. The site straddles the two counties at Visitacion Valley.

Morrissey informed the board that work on grading of the site would be started by SERA labor within 10 days to two weeks. Work on the buildings, one of which will cover 14½ acres, will be done by contract through the regular labor channels. It is expected that 1,000 men will be hired on this grading for a period of four months.

Labor is expected to be recruited through the National Re-employment Office at San Mateo.

LAND OUTSIDE METROPOLIS

One reason why the board would not commit itself to the $37,500 is the protest filed by the Bureau of Governmental Research in San Francisco against San Francisco's participation to the extent of $250,000 in the project because only eight of the 63 acres of land are within San Francisco and most of the buildings will be located in San Mateo county.

The bureau points out that the San Francisco charter forbids spending money on buildings which will not stand in the metropolis' name.

The $37,500 commitment now before San Mateo county is in addition to $12,500 to be paid to the livestock directors on Visitacion Valley taxes which stood against the property. Interest may swell this sum to $15,000, so that the county's requested participation is actually $52,500.

Airport Land Near Tannery Being Sought

Tacoma Mill Property Under Inspection By Committee

Efforts to secure acreage of the Tacoma Mill Company on the north side of the Bayshore highway and west of the Frank tannery for airport purposes are being made, the city council was informed Monday night after committeemen handling the study of the sites had virtually eliminated the existing field at Chestnut street.

Hope of securing the Tacoma property for the nominal rental of $1 per year while it was being developed by SERA and PWA airport funds was expressed to the council.

HOLT SEEKS LEASE

An option to buy the property would be taken by the city if the negotiations are successful. Charles Holt is attempting to secure the lease.

Reporting on the trip south to see Michael F. O'Dea of Los Angeles, owner of the existing field, William Vielhauer, airport committee member, speaking for Clifford Walk, airport committee chairman, said that O'Dea had requested rentals of $100 per month for the use of the present field.

This rental was held to be too high to justify the city going into the airport business.

HAY ONLY INCOME

It was pointed out to O'Dea that the present field's chief income was from the hay and that the city's offer would increase his present income several-fold besides bringing permanent improvements to the tract.

Rental offers to O'Dea were based upon prospective income so that the city would not be asked to underwrite the improvement. Funds for development of the flying field are available if the city takes a lease on the property so that SERA or PWA moneys can be expended upon it.

NEEDS SOME WORK

The Tacoma field would require much more work getting it into shape than would the O'Dea property which has been used for airport purposes since the earliest history of aviation.

Improvement of the Tacoma mill property would beautify the city's Bayshore entrance and would commercialize the district and make all of the property in the immediate vicinity of greater value, it is expected.

8-Pound Son Born To Carl Britschgis

A potential football luminary was born Sunday night when Mrs. Carl Britschgi, the former Violet Schaller, gave birth to an eight-pound son at the Palo Alto Hospital. Britschgi was known to followers of football as "Ike" when he played for the Santa Clara varsity. The child, the first in the family, has been named Brenton. Both mother and son are reported as "doing nicely."

It has been estimated by scientists of Massachusetts State College that it takes 1000 years of weathering to make one inch of soil.

$9,433 Fire Loss Suffered In Redwood City for Year

Despite several heavy losses from fire last year, Redwood City's per capita loss remained at less than $1 for the fiscal year just closing, the annual report of Chief Mark E. Ryan revealed today.

Total loss for the year was $9433. Last year the damage was but $1685. The per capita loss is figured on a basis of 10,000 population.

Largest damage suffered this fiscal year was the $5000 fire at the Perry Feed and Fuel plant last July 4. A $1460 house fire on Kenfield avenue April 14 and another April 6 damaging the Edward Allen house at Oak and Woodrow to the extent of $838 helped boost this year's total to the high figure.

The per capita loss last year, figured on a 9,000 population basis, was 17 cents per capita.

Chief Ryan and his firemen answered 171 alarms during the year, for 101 of which no whistles were blown. This was seven more than last year's total of 164, the difference apparently being in number of grass fires. In June alone this year the department answered 50 grass fire alarms, compared with 35 the previous June.

Of the 171 alarms, 97 were grass fires, 20 building fires, 4 garages, 17 automobiles, 6 chimneys, 6 rubbish and 13 miscellaneous. Eight were false.

An average of 13 men responded to all alarms, a total of 2205 men answering. During the year, 20,750 feet of 2½-inch hose and 13,550 feet of 1½-inch hose were laid. A total of 130 gallons of chemical was used. Ladders raised would have extended 769 feet if put end to end.

Twelve fire drills, with an attendance of 245, and a dozen business meetings, with 336 in attendance, were held.

During the year officers besides Chief Ryan were C. E. Choate, first assistant chief; A. W. Russell, second assistant chief, and A. S. Ligouri, secretary-treasurer.

Sunday's fire in the hills, details of which are found on page 3, was combatted by 14 men of the local department, under Russell's leadership.

Other week-end fires included two grass fires, one at 5:45 p. m. and one five minutes later, Saturday evening, and one at 1:15 p. m. Sunday at Beach and Lathrop streets.

600 ACRES BURN IN SUNDAY FIRE

50 Local, County Men Work Through Day Combating Fire

Saving 15 houses and a number of fences in the paths of the flames, nearly 50 Redwood City and San Mateo county firemen and volunteers worked Sunday from shortly after 10 a. m. to 3:30 p. m. to combat a fire started by two youngsters playing with firecrackers. The fire burned over nearly 600 acres back of Palomar Park.

Nearly a thousand oak, laurel and other trees were badly scorched by the stubborn flames, which were aided in their battle against fire fighters led by Fire Warden Bert Werder by shifting breezes.

The fire was reported to Werder at 10:10 a. m. by a man who said two boys about 12 years of age told him they had accidentally started a fire near Whipple road with fireworks being shot off at a picnic. Attempts later to locate the boys were futile.

By backfiring from every house and the fences, firemen were able to save them from the flames, which hurriedly ate their way through the wild oats and other grasses which in places were five feet high.

Many of the houses were occupied, and in some cases occupants moved possessions out in a frantic effort to save what they could. But due to the work of the firemen and by two county and one city water tank trucks and numerous "pump tanks", none of the cottages was damaged, it was reported. The fire, aided by the breeze, jumped seven roads, Fire Warden Werder reported.

While the blaze was extinguished about 3:30 o'clock in the afternoon, firemen patrolled the district until midnight.

Redwood City firemen were summoned to assist in combatting the blazes by a series of two blasts at 11 a. m.

Atherton People Ask District Relocation

Because they are in one sanitary district to which they pay nothing but do pay another whose mains are "not within 2000 feet of our properties and from whom we receive no service," three Atherton residents today asked the board of supervisors to remedy the situation. They are Anita Louise Becker, Alfred C. Becker and Ralph W. I. Pindar.

Originally they were in one district, but some 20 years ago a new district was formed putting the three in it, but the records have never shown the change, they say.

Former Cashier Wins Probation on Charge

John C. Hamilton, for 14 years trusted cashier in Swift and Company's South San Francisco office who stole $1,644 of company and employe funds, today was remanded to five years' probation by Superior Judge Maxwell McNutt.

As conditions of the probation, Hamilton must make restitution for the amount stolen and serve six months in the county jail. He was given credit for the month and 20 days he has served since his arrest May 10.

S. S. F. WATERS DROWNING SCENE

Happy Outing Turns To Tragedy; Two Miss Death

SOUTH SAN FRANCISCO, July 1—What was to have been a happy afternoon outing turned into tragedy here yesterday when one member of a family group was drowned and two others narrowly escaped death in the waters of a pond near Edgehill boulevard.

The dead youth is Edward Lee Flowers, 15, of 235 Armour street, San Francisco.

With his father, Isaac Flowers, and two brothers, William, 12, and Wilson, 9, the boy went to catch pollywogs in the pond.

The three boys pushed out from shore on a raft. A net they were using dropped overboard in about eight feet of water.

Edward dove in to recover the net, was seized with cramps and shouted for help.

The two other boys dove in, as well as the father.

Wilson started sinking and the father and William pulled him ashore before starting after Edward.

Meanwhile the South San Francisco Emergency Hospital was notified. Dr. Robert Ayers, responding, dove in the pond and brought Edward ashore. An inhalator was brought by the fire department, but the physihian and the life-saving crew were unable to resuscitate the youth.

Pioneers in Tribute To Mrs. Lucy Curran

With many pioneer residents of the county and a host of other friends present, final tribute was paid on Monday to Mrs. Lucy Curran, wife of the late John Curran and resident of this vicinity for 60 years.

Following celebration of a mass at the Mt. Carmel church at 9:30 a. m., interment was made at Holy Cross cemetery at Menlo Park.

Pall bearers were Daniel Stafford, Joseph Dickey, Daniel Flynn, Chris Cussen, Ambrose McSweeney and Asa Hull.

The services were in charge of the Layng & Tinney funeral parlor.

Mrs. Curran died Thursday, following her husband in death by a little over four months. Six sons, four grandchildren and two great-grandchildren survive.

S. M. County Urn Drifts to Scotland

A copper urn containing ashes of a man who died in this county in 1913 has been found in West Scotland, according to press dispatches.

The inscription on the urn is: "Number 4445. Ashes of Allin Bruce Zall, incinerated Cypress Lawn Cemetery, San Mateo county, California, June 15, 1913. A. H. Davidson.

At the Scotland police station, where the bather took the mystery casket, police gingerly opened it, fearing it might be a bomb. They found it contained human ashes.

The urn, tightly sealed when found, stands five inches high and is 4½ inches in diameter. The Scottish police, who are holding it, are getting in touch with the California police over the find.

Lambert Says Little Betting Noticed Here

Councilman Declares Writer of Articles Placed Wagers

Defending Redwood City as easily one of the cleanest cities in San Mateo county as far as gambling was concerned, Mayor Charles G. Lambert Monday night criticized Councilman Evans Fletcher for bringing unfavorable publicity on his home city in the recent "expose" published by a San Francisco newspaper.

Lambert suggested that Fletcher should have brought any evidence he had of gambling to the attention of the council or Police Chief C. L. Collins.

The mayor expressed the opinion that any existing "dirty linen" should not have been exhibited to public view.

The news articles, he said, would make it appear that Redwood City was an "uninviting place."

CITY "VIRTUALLY CLEAN"

Lambert asserted that very little gambling was going on here and that under no circumstances was it "wide open." He told of the difficulty of obtaining evidence in the few instances of alleged violations.

Fletcher drew Lambert's remarks as the result of a motion put by him that the council go on record as opposed to gambling.

The council refused to do this on the ground that as officials sworn to uphold the law they were fundamentally opposed to gambling.

The council did, however, go on record as endorsing an editorial in The Tribune commenting upon the "expose" and suggesting that where gambling existed it should be stopped. The motion was put by Councilman Fletcher and was seconded by Councilman George McNulty.

FLETCHER DEFENDS ACTS

Fletcher defended his acts in assisting the "expose" by asserting that bets were being taken in the city by "bookies."

"I'm one of the victims," Fletcher said. "I have made some bets myself."

In answer to a question from Councilman Paul McCarthy as to whether or not he had called the gambling to District Attorney Gilbert Ferrell's attention, Fletcher replied he had not, but he said he had laid the matter before Police Chief Collins.

COLLINS REPLIES

Collins told the council that he had discussed the matter with Fletcher some six months ago. He said he had informed Fletcher that if he would secure an undercover man to obtain the evidence he would act. Fletcher said he had understood that Collins was to secure the undercover man.

Collins told the board that he had wiped out slot machines and racetrack wires. He said he also believed that any former "bookies" had ceased operations or taken to cover and that evidence would be difficult to secure.

WRITER PLACED BETS

Fletcher's reply was that the San Francisco newspaperman had placed bets before the "expose" without much difficulty.

Upshot of the discussion was the statement of Councilman Paul McCarthy that if the San Francisco newspaper wished to engage in a gambling "crusade" it could find plenty of places not far from its own offices to close up.

MENLO PARK

Menlo Park American Legion Unit No. 443 will sponsor a whist party on the estate of Mrs. C. A. Devol on Wednesday, July 10, at 2 p. m. Score cards, including refreshments, will be 25 cents.

Honoring Miss Florence Gilbert of Menlo Park, who will leave shortly for Honolulu to be married, Mrs. Sprague Smith entertained at a luncheon and bridge party recently at her home in San Mateo. Present were the Mesdames V. B. Scanlon, Howard Tobin, N. A. McNamara, Stephen Gilbert and the Misses Gertrude Coffany, Juanita Deiker, Bernice Kersell and Dolorita Falvey.

Menlo Park Native Daughters of the Golden West will give a card party at the Masonic Hall in Menlo Park Monday evening, July 8. Playing, for which score cards will sell for 25 cents, will begin at 8:15 o'clock.

When the San Mateo County National Horse Show opens for a week's run at the Menlo Circus Club in Atherton, August 3 to 10, the nation's finest horses will compete in the tanbark ring for cash awards totaling $10,000.

Dozens of entries have already been made, although the entry lists will remain open until July 20, but many more are expected, Major A. Mouel-Fenton, show secretary, has announced.

In addition to cash prizes, trophies and ribbons offered in every class in the show, there are stakes of from $500 to $150 for various events. In these special stake events are a $500 stake for hunters and jumpers taken over seven jumps in a designated course; a $500 stake for five-gaited saddle horses; a $300 stake for roadsters in which "ability to go a good pace" is a requisite quality for "getting in the money"; a $300 stake for harness horses; a $300 stake for harness ponies; two $300 stakes for three-gaited saddle horses ridden by owners and members of the immediate family, jumpers, polo ponies and stock horses; and $150 stakes for weanlings in the breeding division and for Shetland harness ponies.

Lieut-Col. Harry Chamberlin of Fort Sheridan, Ill., and Harry McNair of Chicago are among the judges of national importance who will tie the ribbons in the San Mateo National.

Betty Best Robinson of Woodland, Alma Spreckels Rosekrans of Woodside, Florence Doheney of Beverly Hills, Mrs. Harold Lane of Gilroy and Marcorita Hellman of Los Angeles are among some of the noted women exhibitors in this state who will exhibit in the show.

Miss Katherine Stent of Menlo Park and Mr. George W. Somers of Woodside yesterday filed their notice of intention to marry here. The marriage of the popular society couple will take place Saturday afternoon, July 20, at the home of the bride's mother, Mrs. Frances Stent in Atherton.

Miss Frances Stent will be her sister's maid of honor and other attendants will be Mrs. Philip Neill, Mrs. Jack Schudder, Miss Peggy Hooper, Miss Barbara Fisher, Miss Christine Miller and Miss Alice Hardy of Los Angeles.

Mrs. William McNabb, the former Ena Douglass, who is spending the summer at the Leon Douglass home at Atherton while the family is away on a cruise, asked some of her friends in for luncheon yesterday as a farewell courtesy to Mrs. John Francis Melvin who will leave in a few days for New York, to be gone until September.

Guests were the Mesdames Ralph Scoville, Tyson Weihe, the Misses Lovey Fay, Marion Brooks, Virginia Shumate, Diantha Miller, Betty Broemmel and Betty McCann.

Honoring Miss Katherine Stent and Mr. George W. Somers, who will have a garden wedding at the Stent place in Atherton July 20, the Misses Patricia and Nini Tobin will give a Fourth of July party at their home on the peninsula.

Mr. and Mrs. Robert S. Odell, who, with their children, spent the past week at their ranch near Ukiah, have returned to their Atherton home.

JUDGE COTTON QUITS TALBOT DIVORCE SUIT

Outside Jurist Asked To Hear Remainder Of Action

Although denying a motion to reconsider the order granting Mrs. Marjorie E. Talbot $695 a month alimony pending settlement of her divorce action against W. C. Talbot, Hillsborough sportsman and lumber firm owner, Superior Judge A. R. Cotton today acceded to suggestion of Talbot's council that he disqualify himself from sitting in the case.

Judge Cotton, as his last official act before leaving for a two week's vacation at Weber Lake in Nevada county, ruled as follows:

"It has been suggested, that due to friendship between counsel and the judge, a fair trial could not be had in this matter. I hereby withdraw from any further proceedings and direct the clerk to notify the judicial council to designate and assign an outside judge to hear and dispose of further proceedings in this action."

Counsel in the suit are J. B. Fratis and John T. McCarthy for Mrs. Talbot and W. P. Cabau and Harry G. McKannay for the defendant.

While another judge will hear the remainder of the sensational divorce suit, it will be in the local court, the other jurist sitting here.

Judge Cotton was accompanied to the lake resort by Mrs. Cotton. They will be joined later by their son, Aylett B. Cotton.

While the court is recessed until June 15, Court Reporter and Mrs. Fred Wykoff plan an automobile trip to Seattle. Court Clerk and Mrs. Carl Peterson plan a week's vacation, starting next Monday, at Sonora.

FRANK RIDELL, FORMER STORE OWNER, DIES

Stationer Was Father Of Amy R. Holmes, Deputy Clerk

Frank Rockwell Ridell, 81-year-old retired Redwood City stationer and father of Deputy County Clerk Amy R. Holmes, died early this morning at his home at 143 Birch street.

Until retiring from business about nine years ago, Mr. Ridell operated the Redwood City Stationers on Main street, which he established.

His long active life was spent principally in the East, however. He was one of the pioneers in the metal office furniture industry, being a sales manager for the Art Metal Construction Company at Jamestown, N. Y., for many years. He also formerly worked with the Keyless Lock Company of Indianapolis, Ind.

He was a member of the Redwood City Lodge No. 168, Free and Accepted Masons, and of other Masonic bodies at Jamestown, N. Y. During his life he was actively associated with the Congregational Church, being one of the founders of the church at Oak Park, Ill. Later he was a trustee and treasurer of the Congregational church in Jamestown, N. Y., and in late years a deacon in the Redwood City church.

His wife, Susan Phelps Ridell, passed away here last year. Besides his daughter, Mrs. Holmes, with whom he made his home, Mr. Ridell is survived by a son, Edwin A. Ridell, and a grandson, Robert R. Ridell, both of San Mateo.

Funeral services will be held Friday at 2 p. m. at the Layng & Tinney Funeral Home under auspices of the local Masonic lodge. Interment will follow in the family plot at Alta Mesa Memorial Park.

Paintings by Linus Hung at Exposition

Seven paintings by John Linus, Swedish artist from Redwood City and former townsman of Greta Garbo, today were hung in the Villa Skansen, Swedish cottage in the House of Pacific Relations at the California Pacific International Exposition, according to word received here.

These include: Italian Fishing Village, Winter Day in Spring, Church at Night, Knitting Girls in Sweden, Girls Picking Flowers, A Farm, and Rock Castle in Moonlight.

Linus is the only artist to have completed an entire series of paintings of the 24 California missions, started by Fra Junipero Serra, gray-robed Franciscan, and which stretch from San Diego in the south to Sonoma in the north.

This collection, which the artist refuses to sell individually, will be brought to the Villa Skansen in August, Linus said. Along with the 24 paintings will be one of Fra Serra and another of President Roosevelt which Linus recently completed.

The artist was born in Stockholm and studied in Sweden, England, Chicago and San Francisco. He has travelled extensively.

Linus was at Villa Skansen for the hanging of his paintings today.

San Bruno Progresses With Building Plans

SAN BRUNO, July 1—City officials today were going forward with plans for a $100,000 public improvement program including construction of a new public library and city jail and an addition to the city hall. Decision to proceed with the project, for which the community is seeking Federal aid, was reached at a meeting of the City Council Friday night. An election on a $60,000 bond issue will be held July 8.

Palo Alto Transfers Profits of Plants To General Fund

PALO ALTO, July 3 (Special)—At the close of the fiscal year 1934-35 a total of $182,674.40 was transferred from the four publicly owned utility plants to the city's general fund, according to data presented to the city council.

This "profit" compares with $140,812.17 for the preceding fiscal period.

The water fund residue last year was $37,536.43, against $49,816.69 in 1933-34; that of the light fund, $93,253.60, as compared with $79,256.79; of the gas fund, $41,191 71, against $6,914.50; and of the destructor fund, $10,692.66, as compared with $4,824.19.

From the $182,674.40 was deducted $5,570.53, the expense of operating the new sewage treatment plant, leaving a net amount of $177,103.87.

MONOXIDE VICTIM BETTER

Hugo Vreeberg, who was overcome by monoxide fumes in his garage Friday, is reported out of danger at San Mateo Community Hospital. Hospital attaches said his condition was "good," but that his recovery would necessitate some time.

Swedish engineers have developed a concrete building material containing a gas that causes it to rise like bread. It is very light.

BURLINGAME CHAMBER SEEKING POSTOFFICE

BURLINGAME, July 2.—A letter advising the Burlingame Chamber of Commerce there would be a delay in securing a $90,000 appropriation for the city's new postoffice was received here today from Congressman James J. McGrath. So many applications for funds have been filed with the Public Works Administration, McGrath wrote, that acceptance has been deferred.

RIFLED WALLET RETURNED

SAN MATEO, July 1—A pocket book containing $82, insurance papers, lodge cards and checks, lost by R. L. Harris, Burlingame insurance salesman, was recovered in a postbox here. Papers, lodge cards and checks were safe in the wallet, but the $82 was missing.

Liquor Control Head, Children Re-united

Thomas Gosland Jr., state liquor control supervisor for San Mateo and San Francisco counties, was reunited today with his two children whom he hadn't seen for 16 years. They had been taken by their mother in 1919 while Russell, the youngest, was 4 years old and Erma, his sister, was 5. Gosland, who lives in San Francisco, learned a month ago the children were living with their mother in Byrte, Yolo county. She had remarried, but Gosland had not.

It is said that the 300,000 tons of material used in constructing the Empire State Building in New York contained about $17,000 worth of radium.

Scientist Church Adds to Lecturers

Four new members of the Christian Science Board of Lectureship were announced today by The Mother Church, the First Church of Christ, Scientist, in Boston, Mass., according to Mrs. Frederick Wheeler of Woodside road.

They are Francis Lyster Jandron C. S. B., of Detroit; Miss Margaret Morrison, C. S., of Chicago; Peter B. Biggins, C. S. B., of Seattle, and Mrs. Louise Knight Wheatley Cook, C. S. B., of Kansas City, Mo.

BUILDING PERMITS EXCEED LAST YEAR

$134,700 Total Here Already Recorded; 3 Homes in June

Construction of the new postoffice here and earthquake proofing of Sequoia high school have run building permits for the first six months of 1935 far past the total reached during the entire year of 1934, records of City Building Inspector I. C. Drathman revealed today.

With $59,300 worth of permits issued in June this year, total so far since January 1 is $134,770. Last year for the entire year only $83,159 in permits was taken out.

This year's total has been enhanced by the start of construction of a number of houses, three of which were begun during June. These were a $1000 3-room residence for K. R. Jenkins at 319 Robles avenue, a $1200 4-room house at 135 Regent for Thomas Cox and a $1500 4-room house at 625 Hilton for Mary K. Griffen.

Other permits issued by Inspector Drathman were to Richard Schmidt, 816 Hopkins, porch addition to dwelling, $100; B. Di Monte, 210 Ramona, porch addition, $200; earthquake proofing high school, $53,000; John Watts, 1628 Redwood avenue, alterations and repairs to dwelling, $250; Mrs. Aletha Baker, 619 Hopkins, frame garage, $250; P. Coombs, 600 Brewster, alterations to house, $700; Carl Underwood, alterations to dwelling at 135 Hudson, $250, and Harry Regnart, 1405 Middlefield, addition to dwelling, $250.

This year's total to date is the greatest since 1931.

FIVE MORE BRIDES

June Busy for Cupid

LESS FICKLENESS

June wedding bells rang for 96 San Mateo county couples this year, five more than were married during this perilous period for batchelors in 1934, a checkup of County Clerk E. B. Hinman's records revealed today.

Cupid changed his mind this year far less than last. While 100 persons filed notice of intention to marry in June, 1934, only 91 carried their intention through. This year 93 gave notices of intention, and 96 got married, an inconsistency in marital statistics explicable possibly by several couples having filed notice the latter part of May, and then sneaked under the wire of June weddings in the first few days of the month.

5,000 Spanish Vets Planning Pilgrimage

Five thousand Spanish War Veterans of Northern California, their families and friends are preparing for their annual pilgrimage to the Veterans Home of California, Napa county, to attend the Manila Day celebration to be held there Sunday, August 11, according to Dr. A. I. Sorensen, senior vice department commander and chairman of the Manila Day committee.

Assisting Sorensen on the arrangements committee are W. J. Gadberry, commander H. J. Reilly Camp No. 14, Redwood City; Emil J. Neuss, commander, San Mateo-Burlingame Camp No. 130, San Mateo; F. P. Allen, commander, Palo Alto Camp No. 129, Palo Alto, W. L. Cottmire of Los Altos, commander, Lt. Thos. A. Vicars Camp No. 95, Mountain View, and the commanders of all Spanish War Veteran Camps in Northern California.

FINKLER REPORT TAKEN

Superior Judge Maxwell McNutt yesterday settled the account of Special Administrators B. Grant Taylor and M. J. Purcell, who were also legatees, in the $50,309 estate of the late Henry C. Finkler, Redwood City resident and former clerk of the state supreme court.

The account of the general administrator is yet to be settled.

Negri Married, Plans to Return To Redwood City

Reporting to Federal Probation Officer Charles H. Upton in San Francisco that he was "just married," Joseph Ray ("Fatso") Negri, released last week from the county jail here, was expected to return to Redwood City in about two weeks to celebrate the birthday of his sister, Mary.

The sister, with her mother, lives in a small cottage on the southern outskirts of the city, it is reported.

In his report to the probation officer, Negri named last Thursday as the day of his wedding in Seattle, but failed to disclose the name of the bride. The day after his release here, Negri boarded a plane at Mills Field to fly north for the ceremony.

Negri was a former member of the "Baby Face" Nelson gang. He turned against his pals in their trials.

Bayshore Wins Bigger Budget For Fire Hose

SACRAMENTO, July 1 (AP)—The town of Bayshore, San Mateo county, has obtained from the state board of equalization permission to exceed its budgetary expenses by $600, and thereby hangs a story.

As told to the board members by Francis Keesling, assistant secretary, it seems the commissioners of the Bayshore fire district, each and every one of them, had a water plug placed in his district as a measure of fire protection.

After the plugs were installed and duly painted a bright red, the town found itself without fire hose to use if there ever were a fire.

Because the town needs fire hose and has no money with which to buy it the board authorized the addition of $600 to the town's budget.

The average Lapp family requires 100 reindeer for its maintenance.

MOSQUITOES CAME HERE FROM NAPA

Bothersome Insects Traced to Slough By Prof. Herms

That the mosquitoes which had the city aroused some weeks ago did not originate on the local marshes but came all the way from Napa slough to find their victims was the information given to the council Monday night by Joseph C. Dickey, superintendent of the Pulgas Mosquito Abatement District.

Dickey reported that Prof. W. B. Herms of the University of California sent out inspectors who traced the mosquitoes back and found that they were getting out of the marsh-reclaimed land in Napa county.

They came with the wind on both sides of the bay and after invading the north end of the county followed the foothills as far south as Los Altos, Dickey was informed.

"We got some satisfaction in knowing where they originated," Dickey wrote to the board, in stating that the situation now was under control.

Dickey said no summer migration of the insects was anticipated.

Chief Ryan's Car Retired

Fire Chief Mark Ryan's 8-year-old, 100,000-mile car will soon end its dashes to city fires.

The council agreed, upon motion of Councilman McCarthy, seconded by Councilman George McNulty, that the present car was mechanically too dangerous for further fire service.

Ryan will be given City Manager E. A. Rolison's Marquette, which is declared in good mechanical shape, and the city manager will be given a lighter-make car.

The council also authorized the purchase of a new car for the police department on motion of Councilman McCarthy, seconded by Councilman Robert Jones.

SIX SUFFER INJURIES IN TWO COUNTY FIRES

Lydia Jensen Suffers Burns in Fighting Way to Freedom

SAN MATEO, July 3—Seriously burned on the hands, feet and legs when she was trapped in her bedroom by an early morning fire, Mrs. Lydia Jensen, 56, was in Mills Memorial Hospital today, fighting to recover from her injuries.

Three other people, Mr. and Mrs. Byron Nelson Howard and their 3-year-old daughter, narrowly missed being trapped in their room by the blaze.

The fire broke out at 1:23 a.m. in Mrs. Jensen's house at 320 Ramona street, apparently from spontaneous combustion in rags and cardboard boxes stored in a closet beneath the stairway leading to Mrs. Jensen's room, which is elevated in the rear of the home.

Some belief was expressed also, however, that the fire might have been started from a firecracker tossed into the house, as it was reported an explosion was heard at the time the blaze started.

Howard, awakening, smelled smoke. He hurriedly turned in an alarm, then removed his wife and baby from their room. Balked in climbing the stairs to Mrs. Jensen's room by the fire which had eaten its way from the closet to the stairway, he succeeded in awakening the elderly woman by shouts.

When she tried to descend the stairs, she was burned and forced to turn back into her room. From there she climbed through a window onto the roof and was later rescued in a hysterical condition by firemen who reached her with a ladder.

At the hospital this afternoon it was reported that Mrs. Jensen was seriously burned, but was expected to recover.

Firemen extinguished the blaze after about half an hour of fighting the flames. Damage to the house was estimated at between $600 and $700.

BOARD FAVORS ROGERS LINK TO BAYSHORE

Holt Asked to Secure Deed Acceptable For Right-of-Way

Extension of Rogers street near the northerly city limits to give direct access to the Bayshore highway was voted the approval of the council Monday night upon motion of Councilman Paul McCarthy, seconded by Councilman James Eva.

The council authorized acceptance of a deed to an 80-foot right-of-way provided Charles Holt, realty agent, secures conditions acceptable to the board. Thirty feet of the 80-foot roadway would be red-rocked to proper grade by the Tacoma Mill Company, owners of the strip, if the council accepts the deed.

City planners voted approval of the project. The commission made no recommendation on the proposed extension of Broadway through the airport property.

Medical Office Building Planned

Request for a building permit to erect a one-story medical and dental office building at the northeast corner of Broadway and Clinton street was made to the council by Drs. S. E. MacKenzie, D. F. Brown and Ralph D. Howe.

The building would be residential in character and would observe all existing setbacks. It would be patterned after similar medical offices in Palo Alto and San Mateo.

The council referred the matter to the planning commission for recommendation.

Park Rest Rooms Are Ordered

Comfort stations for patrons of the softball diamond in Horace Hawes Park and the soon-to-be-lighted tennis courts in Mezes Plaza were ordered by the council last night.

The council, upon motion of Councilman Evans Fletcher, seconded by Councilman McCarthy, authorized City Manager Rolison to secure an SERA project for the rest rooms.

Mrs. Kalenborn Is Re-Appointed

Mrs. A. S. Kalenborn was reappointed to the city library board upon motion of Councilman Eva, seconded by Councilman McNulty.

George Paddleford, Palo Alto motor car dealer, was granted a permit to operate an auto sales agency on the open lot at 711 El Camino Real.

The Volunteers of America were granted a permit to open a welfare store on Main street, providing that no new goods were handled and no competition engaged in against any regular business firms.

S. S. F. Laborer Fails In Suicide Attempt

SOUTH SAN FRANCISCO, July 1—After an unsuccessful attempt to commit suicide by stabbing himself in the chest, Percy Foley, laborer, 146 Broadway, South San Francisco, was treated at the hospital here and released. Foley, who is married but has no children and has been unemployed for some time, made the suicide attempt at home, police said.

Sale of Lot Planned Unless Brother Asks Search Continue

The search for buried treasure supposedly left by William ("Coal Oil Billy") Tostman in Burlingame has been halted.

And unless Tostman's brother, Edward Tostman, wealthy New York importer, orders the search continued, the lot at 1549 Howard avenue, Burlingame, will be sold by Public Administrator William Crosby, probably at public auction. All of which presages a lively auction sale, for some $6,000 in currency which Tostman, 69-year-old recluse who went around in tatters, received in exchange for gold when President Roosevelt called in all of the metal, has not been found.

For a week workmen under direction of Crosby have been fine-tooth combing the lot, and have torn down the rambling shack and outbuildings where "Coal Oil Billy" existed, living on Mulligan stew and sleeping between two ragged mattresses.

And all the money searchers have discovered for their work is a $5 gold piece, hidden in one of the shacks.

CLOTHING FOUND

They did find some 14 suits, two tuxedos and two derby hats, which have now been given to charitable institutions. And they also found about 1500 empty coil oil cans, and a quantity of rotten lumber, buried in the yard of Tostman's place. But no $6,000.

It is believed that "Coal Oil Billy," as he was familiarly known to cronies, either buried the money deep or else hid it somewhere off the lot, for search of banks has failed to uncover a deposit by the aged recluse, who died June 7 from injuries received when he was struck down by an automobile. He is supposed to have made the money gold-mining.

"TREASURE MAP" SENT

Tostman's possession of the currency was revealed by the New York brother, who had received a map from him, purporting to show where the money was buried in the lot.

But because it would cost some $400 or so to dig the lot to a depth of several feet, Crosby has ruled against it unless he gets the New Yorker's specific orders to do so. He has written the brother asking him if he wants the search continued, and expects to hear in a couple of days. But in the meantime, Crosby last night told searchers to discontinue work until further orders.

Holdup of Coast Man Confessed by Youth

The holdup of Alfred Davis of Pescadero and his girl friend at the San Francisco presidio in which the bandit obtained $34 was confessed yesterday by Bruno Gonzales, 17, San Francisco police reported.

In admitting that and four other holdups, Gonzales exonerated Tony Ferrando, 19, who was arrested with him Saturday night.

New S. M. Postoffice Endangered by Fire

SAN MATEO, July 1 — Cement sacks which were piled near the superstructure of San Mateo's new postoffice, now under construction, caught fire here and threatened the half-completed edifice for a short time. After a sharp struggle, firemen extinguished the blaze.

District Engineer Says Bids to Be Opened For New Stretch

In a letter received by R. Guy Smith from John J. Casey, engineer for Joint Highway District No. 9, assurance is given that work will go forward in the immediate future on the Ocean Shore highway.

According to Engineer Casey, $110,000 in federal funds has been made available for the work and bids for further construction will be sought within the next week or so.

Grading is about 60 per cent completed on the section from the Skyline to the junction of Alemany and Junipero Serra boulevards, a distance of 1.6 miles, according to Casey's letter.

Bids to be sought are on the Thornton-Edgemar stretch, for which condemnation proceedings were started in superior court last week.

Hereditary immunity, or its lack, and the presence of a germ, bacillus, acidopholis, in the mouth seem fundamental factors in the decay of human teeth, says Dr. R. W. Bunting of Ann Arbor.

Complications Result Over Battery Charge

The battery action against John and Ettore Bosia, brothers charged with attacking Dr. Guiseppe Facci of San Francisco while he was making a speech at a picnic, grew more complicated today with Deputy District Attorney Louis B. Dematteis entering a motion in Judge Edward I. McAuliffe's court to strike from the records the demurrer entered on the brothers' behalf by Attorney Edmund Scott. The judge set July 3 at 2 p. m. as date to hear arguments on the motion.

CITY COUNCIL DEBATES BOND VOTE TO PAY UP 1915 STREET ACT DEBT

Agreement that the city council should at an early date submit a bond issue to the voters of Redwood City to clean up the defaults on 1915 street act bonds was reached at the meeting Monday night. The council is undecided as to the amount of the issue but it may run between $200,000 and $400,000.

That this will be necessary to avoid doubling the tax rate to clear the debt off the books was expressed unanimously in a motion put by Councilman Louis Christensen and seconded by Councilsan Paul McCarthy.

The council, in deciding on the bond issue, also agreed to levy an estimated 20-cent to 30-cent special tax in the 1935-36 rate to meet interest and principal on the 1915 street act bonds.

If the public approves the bonds, this special tax would not be necessary, but some levy to pay interest and principal on the new bonds would be necessary.

Councilman Christensen suggested placing the bond issue on the August 13 special ballot, but City Attorney Albert Mansfield expressed the belief the time was too short to work out the problem by that time. It will go before the public about that date, however.

The amount of the bond issue is expected to run between $200,000 and $400,000. The former figure would wipe out existing defaults and the latter would buy up outstanding 1915 act bonds. Interest on the general bonds would be about 3½ per cent compared to 7 per cent on the 1915 act bonds.

Under foreclosures or quit claim proceedings, the council expects to acquire the property on which hopeless defaults have occurred in order to reimburse the taxpayers who help pay up their neighbor's 1915 act indebtedness.

The council will meet in special session shortly to take legal steps to call the election.

About 5 per cent of the motion pictures shown in the Irish Free State are of American production, 15 per cent are British and the remainder from continental Europe.

Citizens Tell D. A. Of Brisbane 'Alarm'

While no request for an investigation has been received by his office, District Attorney Gilbert Ferrell has been approached by several Brisbane residents in regard to the Sunday night "washing out" given some 200 Chinese by the firemen, he said today. The Orientals were in the former Voters' League Hall when firemen, responding to a telephoned alarm, reportedly turned a stream of water through a skylight in the hall.

The incident, which happened Sunday night, resulted in threats to Jack Wheeler, president of the voters' league, and he indicated he might ask an investigation by Ferrell. But the district attorney reported today he had not been approached except by the several citizens to acquaint him with the facts of the incident.

Rider Thrown, Lands On Rattler, Bitten

SAN MATEO, July 2.—Suffering from a rattlesnake bite incurred when he was thrown from his horse onto the reptile, Bruno Vervesni, 25, of Santa Rosa, was in the Community Hospital here today. The accident happened as Vervesni, with a group of friends, was thrown while riding near the Belle Monti Country Club.

The worst crime that one can commit in the Andaman Islands, Bay of Bengal, is fire-stealing. The aborigines do not know how to build a new fire.

Judge Clay Names Two to Clerkships

Two more appointments to county offices were made yesterday as the new fiscal year started.

They were for the office of Justice of the Peace Wade H. Clay, South San Francisco. Clara Emma Tacchi was named to the $1,200-a-year clerk position, while Florence M. Swan was named assistant clerk at $600. Judge Clay is the only one of the five justices to have a clerk.

Five other appointments had been made during the past week. They included Mrs. Elaine Hughes, $1,200-a-year clerk; Mrs. Theresa Altieri and Mrs. Emma R. Elwood, $1,200-a-year case workers, and Miss Harriet Parkman, $1,200-a-year clerk, all in the health and welfare department, and Miss Genevieve Ward, $1020-a-year stenographer for the purchasing agent.

Controller Edward M. Stack is expected to appoint two $90-per-month clerks upon returning from his vacation.

Chinese Chased Out Of Hall in Brisbane

The 200 Chinese reportedly chased out of the former Voters' League Hall in Brisbane Sunday night by firemen had not been gambling, but had merely been sitting, talking, around log tables, according to Undersheriff Lawrence Nieri, who with Constable George Krehl had been watching the place.

The officers had planned to raid the place to determine if gambling were going on there, they said, but had been preceded to the hall by firemen who, it was reported, chased the Orientals out of the building.

RECKLESSNESS CHARGED

Woodrow Klopstock of Atherton was free on $50 bail today on a reckless driving charge for which he will appear next week before Police Judge Arthur H. Stetson in San Mateo. Klopstock's car, according to police reports, collided Sunday evening with a machine driven by Lee L. Lane of San Mateo. Lane told police Klopstock was on the wrong side of the road.

S. F. Mortician's Son Hit by $125 Penalty

BURLINGAME, July 1.—Emanuel P. Halstead, son of a San Francisco undertaker, was fined $125 for reckless driving by Police Judge R. L. Stone of Burlingame.

The charge was reduced from one of hit-run driving after Mrs. William Graham, into whose car police said Halstead crashed and sped on, had refused to prefer hit-run charges. Halstead agreed to pay for damage done to Mrs. Graham's car.

The wealthy young San Franciscan spent Sunday night in the Burlingame city jail after police had overtaken him, assertedly as he sped away from the crash in which his car, while attempting to pass Mrs. Graham's, had forced her machine into an embankment.

LEGAL

NOTICE

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Guardianship of the Person and Estate of HAROLD CURTIS BANCROFT, An Incompetent Person.

NOTICE IS HEREBY GIVEN that Maude M. Bancroft, as guardian of the Person and Estate of Harold Curtis Bancroft, an incompetent person, has this day filed her petition in the above entitled Court seeking an order authorizing her as such guardian, in order to renew a mortgage already subsisting, to borrow a sum not exceeding $3500.00, from the Security-First National Bank of Los Angeles, and in connection therewith to execute to said Security-First National Bank of Los Angeles, jointly and severally, with William W. Wood, Sarah Catherine Wood, William Milton Wood, William George Bancroft and Maude M. Bancroft, the other tenants in common of said real property, hereinafter described, a promissory note in the principal sum of $3500.00, and to join with all of said last mentioned parties in the execution of a trust deed upon said real property in order to secure the repayment of the same, and reference is hereby made to the petition on file herein for further particulars.

Said property is situate in the City of Los Angeles, County of Los Angeles, State of California, and described as follows:

Lot Two (2) and that portion of Lot Seven (7) lying Southeasterly of the Northeasterly line of said Lot Two (2) extended Southeasterly to the Southeasterly line of said Lot Seven (7) of Townsend's Subdivision of a portion of Block "B" of the Mott Tract, in the City of Los Angeles, County of Los Angeles, State of California, as per map recorded in Book 1, page 41 of Maps, in the Office of the County Recorder of said County of Los Angeles, State of California.

The interest of said incompetent therein being an undivided one-seventeenth (1-17) interest.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN that the hearing of said application will be had before the above entitled Court, in the department of the Presiding Judge, or the department to which this case may be assigned, in the County Court House, in the Redwood City, County of San Mateo, State of California, on the 15th day of July, 1935, at the hour of 10 o'clock A. M., or as soon thereafter as counsel may be heard, at which time any and all persons interested therein may appear and contest the same, if they desire.

Dated: June 24, 1935.
E. B. HINMAN,
County Clerk.

The new British aircraft carrier Eagle releases a jet of steam at its bow to show pilots when the wind direction is right for a take-off, thus doing away with the need for trailing wind cones which are used at airports for the same purpose.

James B. Tosh, 79, Claimed by Death

James B. Tosh, 79, passed away Sunday at his home, 625 Cherry street, in East Palo Alto.

The deceased was a native of Indiana. He came to Palo Alto eight years ago from Oklahoma where he had been a member of the constitutional convention of that state.

Survivors include the widow, Mrs. Ella Tosh, and a son Harry B. Tosh of Hobart, Okla.; two sisters, Mrs. R. T. Ferrel of Valley Falls, Ky., and Mrs. Thomas Stringer of Pond Creek, Okla., and two brothers, J. P. Tosh of Valley Falls and J. H. Tosh of Oklahoma.

The remains are at the Tinney Funeral Home.

Reckless, Speeding, Parking Fines Paid

Traffic fines paid in Judge Edward I. McAuliffe's court in the past few days include Bruce Cameron, $25 for reckless driving; levies of $1 each for improper parking by Adolph Santino, L. Clyne, Celia Avrams, Phil Austin, and Mrs. A. H. Steffens; Warren Strade, $1 for an overcrowded front seat, and Ray Lindquist, $5, and Alma M. Larson, $2.50, for speeding.

A new type of automobile seat, designed for use on long trips, keeps the driver and passengers cooled by the evaporation of moisture from felt in the interior. This felt may be taken out and re-moistened when it becomes dry.

Victim of Coastside Shooting Improves

SAN MATEO, July 1.—Escaping the fate of Vesta Taylor, 18-year-old San Francisco girl who died from an accidental gun-shot wound, Bert Jones, 15, victim of a similar accident, is well enough that hospital attaches here said he may return home soon.

Both accidents occurred on the coastside within a few days of each other, the Taylor girl being shot in the groin by a companion while a group of young people were target shooting, and young Jones receiving his wound while examining a .22 caliber rifle preparatory to a hunting trip. He, too, was shot in the groin.

GIRLS, OTHERS SUFFER HURTS IN COLLISIONS

County Free of Fatal Traffic Accidents Over Week-end

While the county was free of fatal traffic accidents over the week-end, a number of people were injured.

Little 4-year-old Carrita Martin of Fair Oaks Lane, Atherton, received a cut on her forehead when the machine in which she was riding with Mrs. F. E. Casal of 2016 Jefferson avenue, Redwood City, collided at Middlefield road and Buckeye street at 4:10 p. m. Sunday with the car driven by James Richardson of San Francisco.

Joseph Knowles, 34, of 2213 Ralston avenue, Burlingame, was injured and later cited for reckless driving when his machine struck a pole on El Camino Real near Burlingame.

Luella Winkler, 32, and Ellen Hammontree, 32, both of San Francisco, suffered slight injuries at noon Sunday when Miss Winkler lost control of their machine on the Skyline boulevard at the Hillside drive intersection and it skidded and turned over on its side.

Ralph H. Cramer, 50, and Margaret Cramer, 13, both of San Francisco, were seriously injured at 10 p. m. Saturday when their machine skidded after running off El Camino Real near Baden and turned over five times. They were treated at South San Francisco Hospital. Cramer was cited by Highway Patrolmen Kreiss and Walzberg, whose machine Cramer had passed only a few minutes previous to the accident.

Eugene Gervais, 19, of San Francisco, suffered a skull fracture and four companions were cut and bruised in a collision of two automobiles at the intersection of Portola road and Santa Cruz avenue in Menlo Park Sunday night. Mrs. Gertrude Chamberlain of Woodside, driver of the other machine, was unhurt.

Raymond Allain, 130 Inner Circle, Redwood City, suffered a sprained back, shoulder and knee; Earl Preston, 1452 Jefferson, suffered cuts and bruises, and Bill Foley, 1524 Jefferson, was cut on the ear and forehead when their machine in attempting to miss another ran off the Emerald Lake road, down an embankment and into a telephone pole. All were treated by Drs. Monteith and Mason at the emergency hospital, following which Allain and Preston were removed to Community Hospital. The accident happened Sunday.

Several other people, injured in non-traffic accidents, also were treated over the week-end at the emergency hospital.

Thomas Robinson cut his wrist on an automobile glass; R. Thurston of Woodside suffered a laceration on his eyebrow which required three stitches to close when a piece of wood he was chopping flew up, hitting him in the eye, and the six-year-old son of Russell Place suffered contusions and lacerations on his right forearm when the member became entangled in a washing machine wringer.

FORGOT HER IRON * * * So Firemen Get Wire * * * THEN SAVE SHOP

Mrs. Mary A. Hoff, operator of a women's specialty clothes shop in Glendale, sent a wire from Redwood City to the fire department in the Southern California city yesterday asking them either to put out a fire in her shop or turn off the electric iron she forgot to disconnect before she started for the northern part of the state on her vacation, the Associated Press reported today.

The Glendale battalion chief put the wire in his pocket, got the boys in his red wagon and made for the shop. There they broke in the door and found the iron a bright red only a few feet away from a rack on which hung scores of dresses.

Firemen said the telegram came just in time, as it wouldn't have been long until the shop would have been in flames.

No local address of Mrs. Hoff could be obtained. It was believed she merely was passing through Redwood City when she remembered her iron.

ENGINEER MAKES SUBWAY REPORT

Plan to Balk Exodus Will Be Submitted In Fortnight

Although he has completed his report, Robert C. Ridgeway, eminent subway and traffic engineer who has been employed in San Francisco at $200 a day to make a survey, Monday told Utilities Manager Edward Cahill he would like two weeks more to study the matter before finally submitting his findings. Engineer Ridgeway revealed that he would work the extra fortnight without cost to the city.

In the report will be Ridgeway's and his assistant, Alfred Brahdy's, findings of the best plan for proposed Market street and collateral subways, as the first step to meet the growing needs of the city.

Allied with the plan is a demand of San Francisco business for consolidation of all transportation lines in the city under municipal operation, probably by purchase of the Market Street Railway lines.

The first move was made a week ago when Supervisor Franck Havenner led an action of the supervisors requesting E. G. Cahill, manager of utilities, to assemble data on which the board could base a purchase.

It has been pointed out by Cahill and others that with completion of the bridges, rapid transit, which cannot be given by surface cars, will be mandatory to outlying San Francisco districts, to prevent an exodus to East Bay and other suburban areas, because of swift bridge transportation.

Carrier Boys Enjoy Two Days of Outing

The Tribune newsboys Carriers' Club enjoyed a two-day outing last week-end at a camp in the foothills near Los Gatos.

Those "roughing it" for the two-day period were James Seymour, Clyde Genochio, Mason Hartwell, Henry Methvin, Bill Harrigan, Delbert Lawrence, Kenneth McCall, Armado Frati, Norbert Simpkins, Bill Robinson, Dewaine Hagen, Leland John, Graham Hone, Warren Bowen, Bob Dupret, Romildo Visconti and Harry Ayers.

STAB VICTIM RECOVERING

"Definitely improved," was the hospital report today on Frederick Tovera, Pescadero Filipino ranchhand, who was stabbed in the back Thursday by an assailant officers are seeking. Tovera is in the Community Hospital at San Mateo.

COUNTY GAINS OVER $400,000 ON TAX ROLLS

$60,977,787 Value Shown This Year; R. C., $3,465,280

Valuation of San Mateo county property for tax purposes gained $466,807 this year over 1934, Assessor Daniel Flynn reported to the board of supervisors Monday.

The total for 1935 was $60, 977,787, as compared with $60,512,980 last year.

Redwood City's total showed a gain of approximately $20,000, this year's value being $3,465,280, as compared with $3,445,095 in 1934.

San Mateo again led the cities this year, while the third township led the unincorporated districts.

Total value of city property was $33,027,200; of the five townships, $17,127,510; stocks and bonds, $9,853,955; solvent credits, $862,137, and cash, $106,985.

Valuations in the cities were as follows:

San Mateo	$6,602,230
Hillsborough	6,015,650
Burlingame	5,763,420
Redwood City	3,465,280
South San Francisco	2,567,205
Atherton	2,454,140
Daly City	1,910,350
San Bruno	1,245,750
San Carlos	1,010,890
Menlo Park	910,640
Belmont	572,650
Lawndale	350,980
Bayshore City	158,015

Township valuations were:

1st Township	$4,352,510
2nd Township	2,025,490
3rd Township	7,086,875
4th Township	2,650,275
5th Township	1,012,360

The board of supervisors was appointed by Chairman Francis as a body to attend public equalization hearings by the state board of equalization at a date to be determined later.

Frozen apples have been kept for four months without losing an appreciable amount of vitamin C.

Two Legion Posts Sponsoring Picnic

Belle Haven City Post No. 472 and Menlo Park Post No. 443, American Legion, had plans in readiness today for the "old-fashioned" Fourth of July celebration and picnic at the Menlo Park picnic grove on Oak Grove avenue near the highway Thursday.

During the afternoon many interesting novel and entertaining stunts and contests have been arranged for all classes of contestants. Dancing will also be enjoyed.

At 1 p.m. the San Mateo County Council Drum and Bugle Corps will give several selections. At 2 p.m. a representative from the local Veterans Facility will give a short address of welcome, to be followed by a patriotic talk by Allan Ward of Burlingame.

For those who do not care to bring lunch a refreshment stand has been provided.

The price of admission is to be 25 cents with children under 15 admitted free.

HIGHLANDS STREETS

Residents of the Highlands of Emerald Lake who wish their streets improved must submit maps showing exactly what is desired, the board of supervisors decided, after securing a report that only part of the streets had been accepted by the county.
